## Every Student, Every Day!

Parents, Families, Friends, and Educators Working Together on Behalf of Our Children!

### Spreading Love in Rutland!

Second graders designed special valentines to share with Rutland City businesses in the days before Valentine's Day. This community service activity allowed our children an opportunity to spread a little love throughout their beloved city. Much thanks to Phoebe Forman for leading the charge with this activity, and thank you also to Ms. Nelson, Mrs. Campopiano, and Mrs. Clark!

## A Cooking Club Begins

Many students at Northwest will get a chance to do a bit of cooking this year with our very own cooking cart! Thanks to a grant awarded to us by our Rutland South Rotary friends, Northwest purchased a cooking cart, complete with tools to get us started. Mrs. Graves, our multi-talented art teacher, wasted no time in finding children to cook with her!

## Northwest's Skating Club!

For four consecutive Wednesdays, many Northwest students participated in Skate Club at Giorgetti Park. Students start by learning to simply stand and safely fall. Once these two requirements are satisfied, students free skate. Many thanks to Mrs. Russo for leading this endeavor, along with help from Mr. Cupoli, Mrs. Diane Nelson, and many other teachers and volunteers, including recruits from Castleton University's hockey team.

## It's a Winter Carnival!

Northwest students and staff enjoyed a wonderful Winter Carnival recently at Giorgetti Park! Students took great delight in the sledding, snowshoeing, broomball, hot chocolate and more! Much thanks to our PE teacher, Bryan Cupoli; his assistants Mrs. Coloutti, Mrs. Russo, Mrs. Etori, Mrs. Clark, and Mrs. Diane Nelson -- and all of our amazing staff!

## Parent/Teacher Conferences

Parents and caregivers -- Conferences are quickly approaching! Please be on the lookout for information to sign-up for this important time for you and your child's teacher to confer. Research shows that children learn more and earn better grades when parents and teachers work together as a team throughout the school year. Please share your questions, concerns, and joyful moments during these conferences.
