

Rutland Northwest Primary School

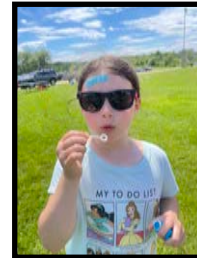

June 13, 2022 Vol. 9

Every Student, Every Day!

Parents, Families, Friends and Educators Working Together on Behalf of our Children!

Field Day 2022

Northwest students, staff and even some family members had a wonderful time at Field Day! A big thank you to PE teacher Mr. Cupoli and team for planning a great day! Water games, tug-of-war, potato sack races, tag, soccer, basketball, and many other activities were enjoyed by all. A special thank you goes to Ms. Janet & Ms. Lynn for providing children with a tasty BBQ lunch, to Officer LaGuardia for the popsicle treat at the end of the day and to the Rutland City Fire Department for cooling down our students with their fire hoses!

Collaborative Masterpiece

Art teacher Mrs. Dauphinais recently completed a school wide art masterpiece with students from Northwest and PPLC. This colorful display is at the entrance of our school building, reminding everyone that *"We Can Spread our Wings and SOAR!"*

2nd Grade Promotion

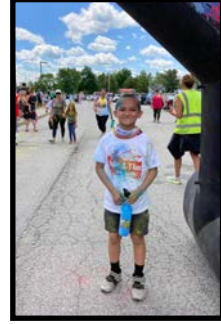

We are very proud of all our students for their hard work and resilience over the past school year. Our 2nd grade students have been in primary school as the Pandemic began and, as all students, have pressed forward to continue learning and growing! We send our "graduating" students well wishes as they move on to Rutland Intermediate School!

Color Run FUN!

Thank you to everyone who participated in our Color Run fundraiser. This collective effort from Northwest, Northeast, Rutland Intermediate and Middle Schools had an incredible turnout. Fun was had by all!

Happy Retirement!

Northwest has such an incredible staff team. Everyone truly is a team— always putting the needs of the children first and ensuring that education is both academically elevated and fun. We are always sad to see such wonderful team members retire, but we are so thankful for the many years they have invested in Northwest. Each of these wonderful individuals work tirelessly to make sure that every student is valued, loved and learns something everyday!

Thank you for everything you have done, retirees of 2022:
Loren Pepe, Diane Nelson, Steve Leach and Karen Roberts.

STEM Projects

Rutland High School Students brought STEM projects for Northwest children to experience! STEM stands for Science, Technology, Engineering & Mathematics. Thank you for providing such wonderful hands on learning for our children!

CLiF Book Giveaway

CLiF Year of the Books has been an incredible experience for our school! Children received multiple free books and heard from many famous authors & illustrators who visited our school to read and do workshops! Thank you, thank you, thank you to Mrs. Jodie Lunna for writing the grant that allowed NW to be the recipients of such an amazing opportunity! Thank you also to Mrs. Metzler for helping so much as well as the CLiF team: Mrs. McGee, Mrs. Nelson, Mrs. Cody, Mrs. Austin, Mrs. Bernal, Mrs. Lambert & Mrs. Pepe. This team gave us all a shining example of “reaching for the stars”!

Star Students & Staff

Northwest Students work hard every day to embody STAR traits: to Show respect, Treat others with kindness, Always be safe & Reach for the stars! Every week one child from each classroom is recognized for their STAR traits and gets to color a star to proudly hang on our STAR wall. The wall is now filled with stars! The RCPS staff team, led by Mrs. Pam Reed, recently gifted our school with beautiful star posters containing uplifting words from children and families about our staff! Our staff strives with daily with the mission to set a STAR example! It was so exciting for our staff to also be “Stars”! We have proudly displayed the posters in the hallway, right by the Star Student wall! Thank you, all, for recognizing the wonderful staff in such a positive way!

Volunteer Appreciation

Northwest is very fortunate to have many people who give their time, energy and love to our students and staff. Thank you to everyone who has invested in our children this year. We want to say a special thank you to Mrs. Fusco and Grandma Carol. These ladies have generously spent many hours in two of our kindergarten classes all year. They help the children with reading, writing, projects and much more! Thank you, thank you, thank you!
